E-BAY

We auction some State property on E-Bay. Our seller name is ndsurplusproperties. To find us, go to www.ebay.com and click on Community. Type in our seller name and if we have items listed, they will show.

GSA AUCTIONS

We also auction some federal property on www.ebay.com. The procedure to find our federal EBay seller name is the same as above. Our federal property seller name on E-Bay is NDSASP. We also auction federal property on www.gsauctions.gov. Go the home page and click on search by state.

MRE's

We have received our much-awaited MRE's (Meals Ready to Eat). There are 12 individual meals per case. Each meal consists of a main entrée, crackers or wheat bread, peanut butter, jelly or a cheese spread, a fruit which may be peaches, applesauce or a fruit combination, a cookie, cake, or candy, a drink powder which may be cherry, orange (tastes just like Tang) or lemon and a condiment pack with Tabasco sauce, matches, moist towel, napkin, salt, sugar, coffee, gum, non-dairy creamer, and a spoon. Since these meals are designed to be eaten where there is no microwave or stove, a heater is also included. The heater is activated with water and heats the food quite adequately. I have personally sampled a few of the meals and found them excellent. All meals are packed in airtight packaging and will last for years. One case of 12 individual meals is \$16.00.

ENGINE OIL

We will be receiving 6,200 quarts of Grade 30 weight CD, SF rated engine oil. It should arrive sometime in the middle of May and it will be priced at \$0.75 per quart. Let us know how many cases you need.

We are compiling an e-mail list so we may contact you electronically about property and other news we may have. We will continue periodic hard-copy newsletters as well but probably not as often. Please send your e-mail address to Arlana at apatton@nd.gov.
